Dear Mayor Smith:

Re: McClung Road Dump

On July 13, 1976, representatives of this office and the LaPorte County Health Department made an inspection of the above referenced operation.

The following violation of Chapter V of Regulation SPC-18 was observed:

Section 14, a: Hazardous waste cannot be accepted unless permission has been granted by the Stream Pollution Control Board. Twenty cubic yards of sludge from Modine in LaPorte had been dumped at the site that morning.

Under no circumstances are unauthorized hazardous wastes to be accepted at this site.

Very truly yours,

David D. Lamm, Acting Chief
Solid Waste Management Section
Division of Sanitary Engineering
